The tradition of tennis at Mill Creek began in 1971 when Bob and Kitty Perrin purchased a 15 acre property nestled in the country like setting of historic Bucks County. Over the years, hundreds of families enjoyed learning the game of tennis at Mill Creek. In the Spring of 2010, Fred Perrin and his sister Amy Perrin have the unique opportunity to continue the tennis tradition at the facility their parents built. Fred and Amy's mission is to "Bring back family tennis". Imagine a place where the entire family can enjoy the fun of tennis – not just the normal drills and league play of your average club. Join them for Mixed Doubles, Ladies Luncheons, Men's nights, Parent-Child doubles and maybe even a summer evening BBQ or cocktails courtside at dusk. Come and be a part of the Mill Creek Tennis Club extended family!
